TERMS OF SERVICE

1/2

Please read the following terms carefully and check each box before sending it back to Magic Hour Films. Please fill in the details requested below:

1. PAYMENT TERMS

A 50% retainer fee (Booking Deposit) is required in advance upon booking Magic Hour Films' services. The booking will only be secured once the retainer fee has been paid and confirmed. The retainer fee is to secure the videographer's services for the day and is to be paid immediately to secure booking. The amount still outstanding must be paid by the last Monday before the event. Upgrade of packages and extras are payable by the last Monday before the event or, if booked after the last Monday before the event, on the first business day following the ordering of such services.

We only accept payments by EFT or cash deposit – no cash payments will be accepted.

Please note that all discounts are conditional to timeous payment. It is your responsibility to leave enough time for the clearance of your payment. Should payment not be received, and confirmed to have cleared by the due date, all discounts will be cancelled automatically.

2. CREW

A team of passionate and accomplished film makers make up the team of shooters and editors at Magic Hour Productions. A producer will be assigned to lead the video production effort at your wedding. Should the assigned camera operator become unavailable due to unforeseen circumstances or due to emergency, a suitable replacement will be arranged to film in their place. We only work with the best so if someone was approved to represent Magic Hour Films, you can trust that our high standards will be maintained. Where possible, this will be communicated prior to the wedding day and the replacement videographer will introduce himself to you, time and circumstance allowing.

3. DELIVERABLES

It depends on which package you have selected for your event, but, the highlights montage, as can be seen on our website, showcases the highlights of the day in a cool and energetic way. With our montage, you can relive the events of the day without having to skip to the good parts - the good parts will all be put together so that your friends and family will keep watching till the end and it is designed to leave you wanting more.

When the video is complete, we will send you a link to download your videos in MP4 format which you will be able to view on any computer (PC or Mac) and on most modern devices with USB like smart TVs. We also offer an option to deliver your video on High Definition Blu-Ray or Standard Definition DVD. Additional costs apply.

4. REVIEW OF FILM AND REQUESTING ALTERATIONS

Before we finalize the edits and close the project, we give you the opportunity to review the video and request alterations. We will do our best to incorporate your suggestions before finalizing the video. Please take note that request for changes must be submitted within 7 days of receiving the review copy. Thereafter, all changes will be billed at our standard editing rates.

5. CHOICE OF MUSIC

We welcome your music suggestions, as it gives us a better idea of what your personal preferences are. Sometimes the music you choose will match the footage perfectly, in style and rhythm. However, sometimes they might not match at all. The exercise is not in vain, however, because once we know what your taste in music is, it allows us to search for similar types of tracks that may be a better fit for the edit.

6. UNSUITABLE CONDITIONS FOR AERIAL PHOTOGRAPHY

We love flying the drone but sometimes the weather simply does not allow it. We will try to fly the drone on the day of the event but should the weather or other circumstances prevent us from flying, we will try to grab some aerial shots after the event. However, this may not always be possible, especially if the venue is far away from our home base. In the unlikely event that we are completely unable to film your venue or event from the sky, we will throw in a Blu-Ray, DVD and Customized Flashdrive with your wedding films on it.

7. POSTPONEMENT, CANCELLATION & REFUND POLICY

Though we sincerely hope that you wouldn't consider cancelling your booking, we understand that sometimes there is no alternative. Most often, it's necessary to postpone rather than cancel.

7.1 Retainer Fee / Booking Fee / Deposit - When you pay the booking deposit, you agree to the payment of the balance by the last Monday before the date of your event. On the other hand, we agree to reserve that date for you, to the exclusion of all other clients and we also agree to deliver the service as offered and at the price we offered it, whether we increase our packages before your event or not. We also pay our crew members to retain their services and we secure any gear we may need for your wedding or event.

7.2 Postponement - We will accommodate any requests to move the date of the wedding, where possible. It is important to let us know as soon as possible, should you wish to move the date of the wedding or event. We have multiple teams that can film your wedding, should the original team be unavailable on the new date proposed. Postponement is free of charge.

7.3 Cancellation - If we cannot accommodate you on the new date for the wedding or event, or, should the event be cancelled completely, for whatever reason, you may request to cancel the booking.

7.4 Refund Policy - In the event of a cancellation, you may request a refund of the balance of the booking fee, minus any fees and expenses incurred by Magic Hour Films in the confirmation and securing of the date.

7.5 These costs include, but are not limited to:

- Administration Fee (20% or R1000, whichever is greater)
- Retainer fees paid to crew (50% of crew day rates)
- Booking fees paid on gear rental
- Opportunity cost (i.e. rejected booking inquiries)

All refunds shall be calculated as explained above under 7.5

7.6 Payment in terms of this invoice shall be deemed an acceptance of the terms explained herein. If you have any questions or concerns, please don't hesitate to call prior to making payment.
